GOOD SCENTS

Infuse your home with cacao bean and fig or brown sugar and vanilla scented candles from Brooklyn-based **JOYA CANDLE**. Made of high quality essential oils with fine perfume blends in a base of organic palm kernel oil, these candles smell luscious without being too cloying. The vegetable wax imparts a crystalline finish, giving them an edgy, elegant look. Available in a gift box, three pillar sizes, or in a poured square glass with a ribbon, they also make excellent gifts (1-800-853-5443; www.joyacandle.com)...
