wicked aromatic

the find: Cacao bean and fig candles by Joya
the price: \$8-\$23
buy online:

www.angelicdreamz.com

why you want it:

Sweeten any environment with this rich blend of bittersweet chocolate and fig with traces of fruit, herb and caramel. But don't be fooled by the sinfully decadent scent and intense color—these candles are all natural to ensure hours of clean-burning and eco-friendly ambience.
