Vane x Joya | New Mixology Candles

10 December 2008, 17:23 | Posted in [Accessories](#) |

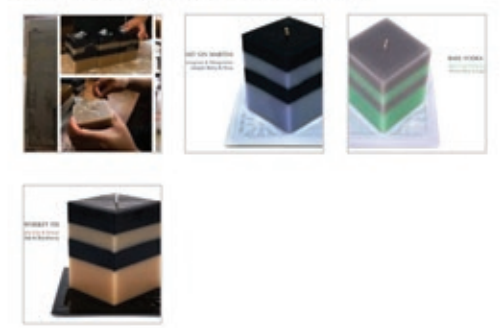

Vane has teamed with luxe home fragrance studio, Joya, to create a new line of candles called New York Mixology.

Evoking the ambiance of old-fashioned speakeasies, New York Mixology infuses the timeless process of craftsmanship with the art of the cocktail. The series of 3 scented candles (Basil Vodka Gimlet, Passionfruit Gin Martini, and Honey Whiskey Fix) is inspired by classic drink recipes and poured in installments by hand in New York City to achieve a unique, layered fragrance experience. Each is paired with a plate refashioned from ceiling tile-pressed, cut, and coated with acrylic paint by hand - also in New York.

New York Mixology launches at STUDIO @ Fred Segal in Los Angeles and Tomorrowland's Edition boutiques in Japan. Online at [vanevane.com](#) and [joyalabids.com](#). Each piece retails for \$60.

Take a detailed look at the final New York Mixology candles after the jump.
