LIGHT MY (SOY) CANDLE

JOYA Tumbler Candle \$28, at [nimli.com](#)

It's not exactly news that going green is in, but if the words going green still conjure up images of hemp tunics and veggie burgers, let us update you. Today's earth-friendly products are just as stylish and luxurious as their not-so-green counterparts. Whether you're baking vegan cupcakes, or wearing a Stella McCartney dress, eco-friendly can still mean style-friendly.
